Scope of Work

Priority 2 Internal Connections – Basic Maintenance

Internal Connections are components located at SCYFS's site that are necessary to transport information to classrooms and to eligible administrative areas or buildings. Internal Connections include connections within, between or among instructional buildings that comprise a school campus, but do not include services that extend beyond the school campus. Components at SCYFS's site are eligible only if they are an essential element in the transmission of information within the school. The components must be necessary to transport information all the way to individual classrooms. Internal Connections do not include services that extend across a public right of-way beyond the school.

Basic maintenance services are defined as follows: "but for the maintenance at issue, the connection would not function and serve its intended purpose with the degree of reliability ordinarily provided in the marketplace to entities receiving such services without E-rate discounts." Please provide a Basic Maintenance Contract to perform the following tasks on the equipment listed below:

1. Repair and upkeep of eligible hardware
2. Wire and cable maintenance
3. Basic technical support
4. Configuration changes

Bidder's Basic Maintenance Agreement must contain the Location, Product, and Make / Model number of the equipment to be covered by the proposed Basic Maintenance Contract (note the table below). This table (or a similar table with like data) must be included in with the Bidder's Basic Maintenance Agreement:

Location Deployed	Product / Service to be Covered	Make/Model Number

Note: The above worksheet is available for download – please visit: http://adsads.com/rfp_year_14.shtml.

Coverage: Provide options for 1, 3 and 5 year Basic Maintenance on hardware only with next business day onsite support.

Maintenance Logs are required to be kept by the service provider and sent to school quarterly (please include a sample log).

Please note: The following products and services **are NOT eligible (Equipment not eligible for E-Rate reimbursement shall not be covered under this agreement):**

1. On-site technical support (*i.e.*, contractor duty station at the applicant site) when off-site technical support can provide basic maintenance on an as-needed basis.
2. Services such as network management and 24-hour network monitoring.
3. Help desks that provide a comprehensive level of support beyond basic maintenance of only eligible components.
4. Technical support contracts that are more than basic maintenance.
5. End User Equipment (PCs and Phones).

Eligible basic maintenance does not include services to maintain ineligible equipment, to enhance the utility of equipment beyond the transport of information, or to provide diagnostic services in excess of those necessary to maintain the equipment's ability to transport information.

Required: 8x5xNBD service on all proposed hardware

A block of hours for general Basic Maintenance – It is anticipated that about 10 hours per month is requested for Phone System Equipment Basic Maintenance.

A block of hours for general Basic Maintenance – It is anticipated that about 20 hours per month is requested for Data System Basic Maintenance.

Separate Phone System and Data Equipment Agreements are sought.

Proposed agreements or contracts offered **must** specifically identify the eligible components covered, including location deployed, product name, and make/model number.

Provide options for 1 and 3 year contracts.

Proposed agreements or contracts offered **must** specifically identify the eligible components covered, including location deployed, product name, and make/model number.

Note: The above worksheet is available for download – please visit: http://www.adsadsi.com/rfp_fy13.htm.

Service Provider RFP Response:

Item 21s, by location or entity number, must be included with the Service Provider response. All Service Provider responses without Item 21 attachments shall be considered incomplete and NOT considered. A sample and interactive worksheet is attached on the next page. Make and Model Numbers must be included on the Item 21 Attachments for Eligible Products and Services. Eligible Products and Services must be clearly separated from any and all Ineligible Products and Services.

All bids must be submitted in sealed envelopes (appropriately marked) **and** sent via email to: SCYFS@adsadsi.com with the 470 Number in the subject line. Please submit bids in either Microsoft Office Format (.doc, .xls, etc.) or Adobe .pdf files. Facsimile, telegraphic or mailgram offer(s) shall be rejected and not considered.

By submitting a response, Service Provider Agrees to all Terms and Conditions contained within. If Service Provider's response is selected, St. Charles Consortia shall award SCYFS20100715125713 to Service Provider and authorize this cover page - creating a contract. If required, an authorized and dated Service Provider Contract is encouraged to be submitted with the Service Provider's response. All signatures **MUST** be original.

Service Provider Terms, Conditions and/or additional Contracts:

In order to be considered for award any and all terms, conditions and, or contracts required by the Service Provider must be signed, dated and submitted with the RFP Response.

All Priority 2 Basic Maintenance agreements or contracts must specifically identify the eligible components covered, including product name, model number, and location.

Invoicing the Universal Services Administrative Company (USAC):

The Service Provider will be responsible for invoicing USAC by using the Service Provider Invoice (SPI) methodology. St. Charles Consortia shall be responsible for their share.

Contracts:

FCC rules require that an applicant sign a contract with the service provider before signing and submitting a completed *Services Ordered and Certification Form* (Form 471). Consequently, all Contracts, Statements, of Work, and/or Service Agreements must be submitted with this response with a handwritten signature and date. Countersigned documents may be provided after the Funding Commitment Decision Letters are issued by the Schools and Libraries Division of the Universal Services Administrative Company.
