## **QUESTIONS:**

All questions must be posted to [http://adsadsi.com/rfp\\_year\\_17.shtml](http://adsadsi.com/rfp_year_17.shtml) in order to assure all service providers have access to the same information. Please visit the website and click on the RFP/470 Q/A link associated with the applicant's Form 470 Application to submit a question. In addition, please click on the RFP/470 Q/A link associated with this application to review all questions asked and answered. Please remember that questions submitted within 5 business days of bid due date may not be answered.

If you do not have a question, but would like to stay current with questions asked and answered, please visit the website and click on the RFP/470 Q/A link associated with the applicant's Form 470 Application and submit a request, in the form of a question, to be added to the question and answer distribution list. If you submit a question you are automatically added to the distribution list for updates.

No other method of asking questions is acceptable. Questions asked in any other method than the acceptable method as described above shall not be answered – i.e. questions submitted via text, E-mail, or asked via a telephone, or left on a voicemail shall not be answered.

## **ADS Advanced Data Services, Inc. role is to assist with the E-Rate Application Process:**

ADS Advanced Data Services, Inc. does not evaluate Service Provider Service Offerings – The applicant is responsible for selecting all Service Providers. ADS shall not recommend Service Providers.

All information is provided on the 470, to include applicant type, service locations, addresses, and service NPA/NXXs.

If you have a proposal, or optional packages, please provide details and the eligible applicant shall evaluate all options to select a winner. Pricing specific to the applicant's requirements must be included for an evaluation to be completed. Please make sure any required Contracts or Statements of Work are authorized and included in your response.

If the applicant has a question on your service offering, terms, and/or pricing, clarification shall be sought.

## **Scope of Work - Priority 1**

**Service providers shall propose an implementation plan with a seamless transition for the delivery of service. The service delivery plan must mitigate the risk of downtime and assure continued uptime during business hours. Work that requires the interruption of the current service shall be performed after hours and at a time that is agreeable to ONA. All proposed solutions shall be fully tested to assure the service expectations defined within this document. If a new service provider is selected and their services deployed, it is expected to run alongside the current solution and in conjunction with ONA expectations for at least 10 days prior to replacing the existing service. Service Level Agreements are expected.**
